Serious Auto Accident Kills Warren Buffum On Highway In Mexico

Warren H. Buffum, 59, of Winchester, N. H., well known to many Northfield friends and relatives, a sugar chemist and engineer employed by the firm of Petree & Dorr Engineers, Inc., of New York City, was instantly killed in an automobile accident in Mexico on Thursday, May 25. He was returning to Mexico City from taking pictures of the newly erupted volcano of Paricutin.

Mr. Buffum attended Colby Academy and the University of New Hampshire. He served during the First World War as First Lieutenant in the Signal Corps of the U. S. Air Forces, and was a member of Minatt-Rivers Post, American Legion.

Born in Winchester April 15, 1885, a son of Rev. Francis H. and Cora (Lord) Buffum, he is survived by three sisters, Mrs. Marion Rich of Pepperell, Mrs. Margaret Spaulding of this town, and Mrs. Bertha Boyd of Wisconsin; two brothers, Francis H. Buffum of Concord, N. H., and Jesse H. Buffum of Boston.

The body of Mr. Buffum was cremated in Mexico and his ashes brought to Northfield, where on Sunday afternoon, June 4th in the Unitarian church of which he was a member, the funeral services are held. Rev. Arthur Heeb officiating. Burial is in the family plot in the cemetery at Winchester. Photography was a hobby of Mr. Buffum and he has frequently shown his pictures here at the home of friends and organizations. A large circle of friends will mourn his untimely death.

Mrs. Eva Stacy Dies

Mrs. Eva Stacy, age 82, who for the past twenty-one years has been a resident of this town at her home in Northfield Farms, died at a hospital in Northampton after being a patient there for the past eight months, on Tuesday, May 30. She recently suffered a bad fall and sustained a broken hip. She was born in Irving, September 24, 1861 and was the widow of Gilbert Stacy of Gill who died in 1912. Their home until his death was in Gill. She leaves a son, Harrison G. Stacy of West Northfield and a daughter Mrs. Myra Clark of Baldwinville. There are nine grandchildren and two great grandchildren. Funeral services were held the following Friday at Kidders funeral parlor with Rev. E. W. Blackstone of the South Vernon church officiating. Burial was in the Northfield Farms cemetery.

Again Receives Cluster

2nd Lieut. Charles H. Taber, son of Mr. and Mrs. Charles Taber of this town has again been awarded a second bronze oak leaf cluster, according to an announcement by the command of the 15th air force, for his part in long range bombing attacks in the Balkans, Austria and north Italy. Lieut. Taber entered the service in July 1942, commissioned a Lieut. in August 1943 and received his training at Mather Field, Calif. and Gowen Field, Boise, Idaho. He has completed 21 missions over enemy held territory.

For Alexander Hall

The annual meeting of the women of the town to again select members of the Alexander Hall committee is scheduled for Saturday afternoon, June 17 at three o'clock. This committee has the responsibility and control of the hall as provided under the will which created it and women residents of the town are eligible to attend and vote for members of their choice.

In Respect And Esteem Memory Former Comrades Observed In Northfield

Sunday, the twenty-eighth, was observed for the usual services of Memorial Day in this town, with the weather most pleasant. In the churches sermons appropriate to the day were delivered and at the many homes and buildings about the town, the flag was displayed. In the afternoon the Memorial observances took place with a parade, forming on the High school grounds in which was included the local post of the American Legion, the local company of the State Guard, troops of the Boy Scouts and of the Girl Scouts and a large company of school pupils, all carrying the American flag. The parade was headed by the Greenfield High school band, with William S. Jeffs as director. The parade marched down Main Street to Center cemetery where the memorial exercises began with the invocation by Rev. George A. Bronson, the singing of God Bless America by the assembly, followed by the reading of the Honor Roll by Dr. Richard G. Holton, adjutant of the Legion Post. Under the direction of school music supervisor, Mrs. Goodspeed, the children sang several patriotic hymns and Eugene Hutchinson read Lincoln's Gettysburg address.

The climax of the occasion was the address by Lieut. Commander Otis Estes, U. S. Coast Guard, who was introduced by Major William M. Marshall. The speaker in a brief but stirring address presented a picture of Memorial Day from the viewpoint of the present-day soldier. His presentation convinced the large audience that essentially the soldier of 1944 is endowed with the same spirit that inspired his counterpart in 1918, 1898, 1865, and 1776 and that in this spirit America is invincible.

Following the address the graves of all soldiers and sailors of the previous wars were decorated with flowers by the school children, after which a firing squad rendered their salute and "Taps" were sounded. The parade reformed and went to the town hall where the Memorial tablets were decorated. Frank W. Pearsall, commander of the local post of the American Legion, presided at the exercises and Sidney H. Given was chairman of the committee and marshal of the parade.

Sixteen Years Rector Pays All Church Debt

Rev. Miles Mcors, our native son who sixteen years ago assumed the ministry of Trinity Episcopal church at Bethlehem, Pa. marked the anniversary by a campaign to pay off all indebtedness of the church. The parish nobly responded and the church will be free of financial indebtedness, including the cost of extensive improvements made some two years ago. With his family he expects to come to Northfield this summer to spend his vacation at his cottage on Maple Street. His mother, Mrs. Merrill T. Moore who is at present visiting her daughter in White Plains, N. Y., will return to her home here also very soon.

Hostel Receives Visit

Calling at the Youth Hostel recently was leading Aircraftman Sydney Thakery of the Royal Air Force, stationed at Pennhold Camp near Calgary, Canada. He enjoyed a two weeks furlough and came here to learn of the activities of the hostel movement. He met Mr. and Mrs. Monroe Smith in conference and was much pleased with the information he had received, believing thoroughly in its international understanding of young people. He went to Sheffield for a call on the town because his native place was Sheffield, England and he wanted to see its namesake.

Mount Hermon School Opens Summer Session Large Enrollment

The second wartime summer session at Mount Hermon School will begin June 19 and continue until August 11, according to an announcement by Dr. William E. Park, president of the Northfield Schools. This session will fit into the year's program, to help students gain as much education as possible before entering the armed services. This year will establish a precedent in that Hermon will hold three graduations, one having been held in January, and another May 27. The third will come in August for those who complete their secondary education this summer.

Three programs will be offered at this summer session, the principal one being an accelerated course for upper classmen to permit earlier graduation. The two subsidiary programs are as follows: one is part-time academic work for pay on the school farm or dining hall, the other calls for special study in pre-induction and war courses in preparation for war work or the services.

The subjects offered will be third and fourth year English, second-year French, Spanish, and German, 3rd and 4th-year mathematics, physics, chemistry, American history, mechanical drawing, and physiography. For most students these will be on a half-year basis with the second half to be taken in the fall semester. A full program thus will be four half-courses, which are to be completed by January, 1945.

Classes will be held mornings six days a week, leaving afternoons and evenings for study, recreation, and part-time work. The traditional work hour, established by the founder, D. L. Moody, will be observed, but the time will be reduced to the minimum required for operating the summer session. The students will live in Center Crossley, about 75 being expected. All the facilities of the school during the regular school year will be available to the summer students. Religious services will be held Sundays and a modified athletic program will be observed.

Mr. Howard Niblock, a master on the regular school faculty, will be in charge. The Reverend Howard L. Rubendall of the First Presbyterian Church of Albany, N. Y., hearmaster-elect of Mount Hermon, will take office on July 1.

Announce Engagement

Mr. and Mrs. Robert Meredith Moore of Philadelphia announce the engagement of their daughter, Mary Helen, to Ensign Richard Neuendorffer, U.S.N., the son of Mr. and Mrs. Rudolph Neuendorffer of North Tarrytown, New York.

Miss Moore is a graduate of the Stevens School in Germantown, Philadelphia, and will enter Mount Holyoke College in September. She is the granddaughter of the late Reverend and Mrs. William Jay Peck of Corona, N. Y., and of Mr. and Mrs. Edgar B. Moore of Elizabeth, N. J., all of whom have been summer residents of Northfield.

Ensign Neuendorffer is a graduate of the United States Naval Academy at Annapolis and has been assigned to active duty.

CARD OF THANKS

We wish to thank the friends and neighbors for their comforting words and expressions of sympathy and the beautiful flowers for our mother.

Mr. and Mrs. Harrison Stacy and Family.
Mrs. Myra Clark and Family.

CARD OF THANKS

For the good-will and friendship shown to us by the cards, gifts, and hearty good wishes received from the people of Northfield, on the occasion of the twenty-fifth anniversary of our wedding, we wish to express our deep appreciation and say "thank-you" to each and every one.
Harry M. and Josephine S. Haakell

New Headmaster for Mount Hermon

Mount Hermon, Mass.—The administration of Mount Hermon School will change hands on July 1 when the Reverend Howard L. Rubendall, pastor of the First Presbyterian Church of Albany, New York (lower left), becomes headmaster, succeeding Dr. William E. Park (upper right), president of the Northfield Schools, who has been acting headmaster for the past year. Mount Hermon's second war-time summer school will open June 19, with the students housed in Crossley Hall (lower right). After July 1 Dr. Park will give his full time to the administration of the Northfield Schools, which incorporates the Northfield School for Girls and Mount Hermon School.

Local Boys Graduate From Mount Hermon

John R. Addison, son of Mrs. Mildred Addison of Northfield, and Allie Skib, son of Mr. and Mrs. Peter Skib of South Vernon, were among the candidates for graduation from Mount Hermon School at the 58th Commencement. Dean emeritus Charles R. Brown of Yale Divinity School was the speaker and the acting headmaster, Dr. William E. Park, president of the Northfield Schools, awarded the diplomas to the 105 graduates.

John was active in football, soccer, skiing and tennis, and a member of the Commuters' Club during his four years at Hermon. Allie participated in basketball, baseball and soccer and was also a member of the Commuters' Club.

Sugar Rationing

The sugar rationing regulations for this year have been amended somewhat from the system made public earlier in the season. The Office of Price Administration has fixed two periods for filing applications with the local boards, the first from June 1 to July 1, and the second from August 1 to October 31.

In the first period, no more than 10 pounds per person may be issued, since no one knows how much fruit she is going to can, and no one can tell, even now, how much the vines and trees are going to bear, nor how much will reach the market for civilian use.

If, when the second rationing period arrives, the canner finds she will need to use more than the ten pounds per person already received, she may apply for more, up to the remaining ten pounds if she needs that much. Every second period application should contain a statement showing the disposition of the sugar previously granted for canning.

Because Sugar stamp No. 37 has been submitted for the spare stamp No. 37 in a great many cases, the sugar stamp No. 37 will never be made valid. Sugar stamp No. 32 becomes available for five pounds of table sugar on June 16, for an indefinite period.

The Boy Scouts will continue to meet Monday evening at the rink near the church on Monday evenings when various sports will be undertaken under the supervision of Scout officials. Parents and friends are always welcome.

Hermon Graduates One Hundred Two At The Fifty-eighth Commencement And Many Attend The Services

Warning Service Ends Thanks To Watchers

Chief Observer F. Warren Whitman of the local Aircraft Warning Service has been notified by A.A.F. Headquarters in Boston that the warning and ground observer corps has been discontinued. The service has been operated for several months on a part time and "instant alert" basis but is now to be totally and permanently demobilized and the equipment returned to the army or otherwise disposed of.

Mr. Whitman has asked the privilege of thanking, through the medium of The Press, the 800 or more residents of the town who have acted as observers. Those who qualified through long service or training will receive the Certificate of Honorable Service, but many who did not qualify rendered their service at great personal sacrifice and are to be congratulated on their patriotism.

Now Master Sergeant

From the headquarters of the Fifteenth Army Air Force, information comes that John J. Hurley of Northfield has been promoted to the grade of Master Sergeant. He was inducted into the service August 1942 and completed his training at the air force mechanics school at Keesler Field, Miss. He is now stationed somewhere in Italy with a B-24 Liberator bomber squad, commanded by Col. Thomas Steed.

Local Seminary Graduates

Ann Greenwood, daughter of Mr. and Mrs. Roger M. Greenwood, Martha McAfee, niece of Mr. and Mrs. Leander R. Kirk, and Margery E. Speers, daughter of Mr. and Mrs. Peter C. Speers, all of Northfield; and Beatrice Sargent, daughter of Mr. and Mrs. Ralph E. Sargent of Mount Hermon, are among the candidates for graduation from Northfield Seminary at the school's Commencement Monday morning.

Ann was class representative for the day students and campus government association representative. Martha was a member of the hockey and swimming, all-campus teams. Margery was town class representative and a member of the dancing club. Beatrice was a member of the social committee during her senior year.

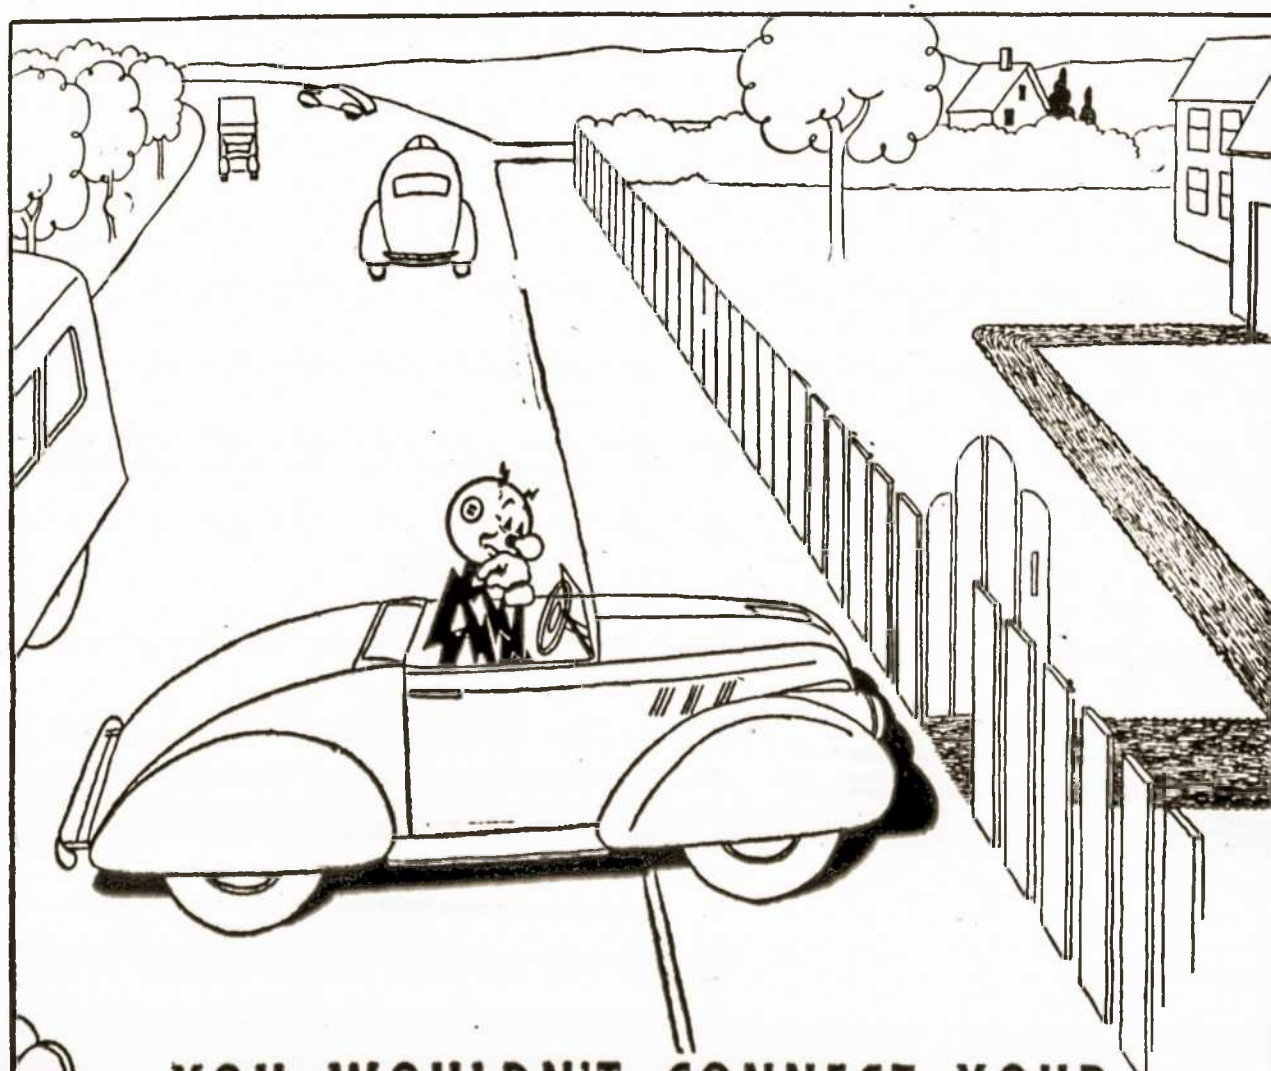

The 58th annual Commencement for Mount Hermon School took place Saturday morning, May 27 when 102 graduates received their diplomas from acting headmaster Dr. William E. Park, while hundreds of parents, students, and friends witnessed the solemn proceedings in Memorial Chapel. The Spade Oration was delivered by Robert H. Wilkinson of Syracuse, president of the Student Council, who was also the winner of the Cambridge University prize of \$50 given annually by the students of Cambridge University, England since 1888 to the graduate for general excellence. Dean Emeritus Charles R. Brown of Yale delivered the Commencement address on the topic, "Well-Balanced Lives."

The program began at 10:30 when the organist, Carlton W. L'Hommedieu, played Mendelssohn's "March of the Priests" while the seniors in caps and gowns and their blue and white tassels, marched solemnly down the center aisle led by the marshals, Charles Forrest II, newly elected president of the Student Council, and Roger Goodspeed, president of next year's senior class. The pastor, Dr. J. Glover Johnson, led in the invocation and read the Hermon Psalm. The anthem was "Hymn of Freedom" by Thiman, Kurt Loe-wus singing the baritone solo.

Dr. Park, acting headmaster, awarded the diplomas to the seniors, assisted by Howard Niblock, class teacher, and Arthur D. Platt, director of studies. Dr. Johnson closed the service with prayer and the Northfield benediction.

Mr. and Mrs. Fay Smith and family of Leominster spent last week-end here with his mother, Mrs. N. Fay Smith.

Sunday, June 18th is Father's day, according to the calendar of events. We are reminded that Dad should be remembered annually at this time.

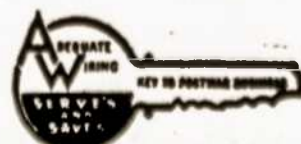

YOU WOULDN'T CONNECT YOUR
GARAGE TO A SUPER-HIGHWAY
WITH A FOOTPATH

Yet many a home, located on "super-highways" of electric power, has "footpath" wiring that is inadequate for the flow of electric "traffic". Compare the average number of electric servants in a home today with the number in the same home a few years ago. No wonder there are electric

traffic jams that cause fuses to blow and prevent the efficient use of your electrical appliances. Wiring materials and manpower will be short for the duration, but plan NOW to have ADEQUATE WIRING in your new or remodelled POST-WAR HOME!

Betty Barclay's Jelly Shelf

HONEY ORANGE MARMALADE

1 1/2 cups prepared fruit
2 1/2 cups honey
1/2 bottle fruit pectin

To prepare fruit, remove skins in quarters from 1 medium orange and 1 medium lemon. Lay quarters flat; shave off and discard about half of white part. With very sharp knife cut remaining rind into fine shreds. Add 1/2 cup honey, 1/2 cup water, and 1/16 teaspoon soda. (This honey is in addition to the 2 1/2 cups specified.) Bring to a boil and simmer, covered, 10 minutes, stirring occasionally. Remove sections of fruit pulp free from membrane. Add pulp and juice to cooked rind; simmer 20 minutes longer. (If orange is very sweet, add juice of 1 extra lemon.)

Measure honey and prepared fruit, solidly packed, into large kettle, flooding each cup with juice, or if necessary, with water. Bring to a full rolling boil over hottest fire. Stir constantly before and while boiling. Boil hard 1 minute. Remove from fire and stir in bottled fruit pectin. Then stir and skim by turns for just 5 minutes to cool slightly, to prevent floating fruit. Pour quickly. Paraffin hot marmalade at once. Makes about 6 glasses (6 fluid ounces each).

Bon Voyage

TOWN TOPICS

In addition to the regular hours from 2 to 8 on Tuesdays, Thursdays and Saturdays, Dickinson Library will now be open on Wednesdays and Friday in the afternoon from 2 to 6 o'clock. This has been made possible as a result of the increased library appropriation at the last town meeting.

Although intended for non-competitive class in the exhibit of the National Button Society, the cards displayed by Miss Amy Hamilton were moved to the competitive class and she won a first award for the "thistle" buttons and a third for those of "ships".

There was an error in the title of the new book placed in Dickinson Library by the Garden Club, printed in our last issue. It should have been "10,000 Garden Questions answered by fifteen experts". There is another book with similar title of 1000 questions but the new book is entirely different and contains 10,000 questions.

Second Lieut. Robin Stevenson, son of Mrs. Helen Stevenson of this town, has completed his flying fortress flying pilot training at Hendricks field, Sebring, Florida and now awaiting assignment. He has been in service since November 1942 and won his wings and commission last March 12 at Moody Field, Ga.

Pvt. Ray Thompson of this town has been transferred for further training to Willow Run, Ypsilanti, Mich.

Mr. and Mrs. E. S. Frary of Highland Avenue have rented their house to friends now in Florida who will soon arrive to occupy for the summer. As usual Mr. and Mrs. Frary will go about June 14th to their camp at Richmond, Va.

Mrs. Maude N. Voris of Jamaica spent a week at her cottage in Mountain Park and it is now occupied by her daughter and husband, Mr. and Mrs. John Laestadius of Brooklyn, who are spending their vacation from teaching duties.

Robert L. deVeer, now a Lt. Jg. has been in the South Pacific and recently on furlough visited his sister, Mrs. F. H. Briemaster here. Formerly resident here he is living at Yonkers, N. Y. where his wife and young son are.

TOWN TOPICS

Clyde Mattern of Highland Avenue has been at the Chelsea Veterans hospital for the past few weeks for medical attention but is expected to return shortly to his home.

Mrs. Rhoda Kempkis of Springfield is occupying the home of her father, the late Henry Lyman on Maple Street for the summer months.

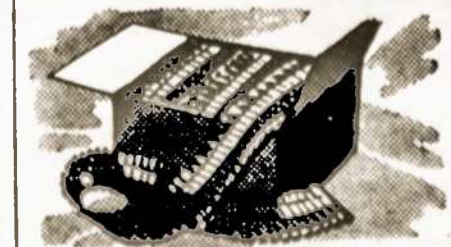

Last Sunday morning, June 4, Children's day with services were observed at the Congregational church with appropriate program by the children, who presented a pageant on "Children of the Bible". Members of the Girl Scouts entertained their mothers at a gathering at Alexander Hall last Friday afternoon. Mrs. Albert Anderson and Mrs. Ross Spencer were hostesses. There was a program and Miss Susan Micka for the County Extension service was speaker.
